

A LETTER OF INTENT BETWEEN

DONOR(S) AND GAIA HOME

DONOR(S) ("Donor Advisor(s)"), desire to provide or facilitate the provision of financial resources through a donor advised fund ("DAF") to Gaia Home (Gaia). These funds will support the purposes of the campaign for Gaia (the "Campaign"), namely: to acquire, construct, improve, equip, operate, and endow certain facilities and programs used or to be used by Gaia in the performance of its charitable purposes.

The Donor Advisor(s) intend to facilitate Gaia's receipt of no less than \$_____ ("Gift Intention") in cash or publicly traded securities by making personal gifts (the "Gifts"), recommending distributions from a DAF they have established (the "Distributions"), or both. The DAF is _____ located at: _____ (Street), _____ (Suite) _____ (City), _____ (State), _____ (zip code)

1. Non-Binding. The Donor Advisor(s) are not obligated to make any recommendations to the institution that holds their DAF (the "Institution"), and the Institution is not obligated to make any distributions, unless the Institution otherwise agrees to obligate itself through a separate agreement with Gaia. Recommendations from the Donor Advisor(s) to the Institution are advisory only and subject to the review and approval of the Institution.
2. No Personal Benefit. The Donor Advisor(s) shall not receive any personal benefit in exchange for facilitating the Distributions, nor shall they have any control of the Gifts or Distributions once received by Gaia.
3. No Pledge Agreement. This Letter of Intent is a statement of the Donor Advisor(s)'s present intention only and it is not intended to be a legally binding pledge

agreement. It is not to be enforceable against the Donor Advisor(s), the Donor Advisor(s)'s Estate, the DAF, or the Institution.

4. Schedule for Gifts or Distributions. The Donor Advisor(s) intend to make annual Gifts or recommend Distributions of \$_____ per year to Gaia.

To the extent any of the above payments are Distributions, and not Gifts, the Donor Advisor(s) intend to ensure that sufficient funds are available in the DAF to fund the Distributions at the time each recommendation is made.

This letter of intent is dated this _____ day of _____, 20_____.
